Partnership HealthPlan of California Hosts Free, Drive-Thru COVID-19 Vaccination Clinic in Redding

REDDING – Partnership HealthPlan of California (PHC) has collaborated with Shasta County Health and Human Services Agency to host a free, drive-thru COVID-19 vaccine clinic on Friday, November 19, from 11 a.m. - 1 p.m. at PHC's Redding Regional Office at 2525 Airpark Drive. All COVID-19 doses and brands will be available for individuals age 12 and up – including Pfizer, Moderna, single-dose Johnson & Johnson, and booster vaccines.

Community members age 12 and up who have not received their first or second COVID-19 vaccine are eligible to receive a \$25 gift card per dose or a \$50 gift card for Johnson & Johnson's single-dose vaccination regardless of insurance, ID, or citizenship. This incentive is not available for COVID-19 booster vaccines.

The drive-thru clinic accepts appointments and drive-ups. You can schedule your COVID-19 vaccine online at <https://myturn.ca.gov/> or by scanning the QR code available in the [event flyer](#).

PHC encourages anyone who is not vaccinated to take advantage of this opportunity!
