MyHazards

“MyHazards is a tool for the general public to discover hazards in their area (earthquake, flood, fire, and tsunami) and learn steps to reduce personal risk. Using the MyHazards tool, users may enter an address, city, zip code, or may select a location from a map. The map targets the location, and allows users to zoom and scroll to their desired view.”

Prepare with Pedro

“Prepare with Pedro is a free youth preparedness program created by the American Red Cross, and we are proud to partner with them to offer the Prepare with Pedro: Disaster Preparedness Activity Book. This resource is designed to teach young children and their families how to stay safe during disasters and emergencies through fun activities such as crosswords, coloring pages, matching games, and more!”
