MyHazards

“MyHazards is a tool for the general public to discover hazards in their area (earthquake, flood, fire, and tsunami) and learn steps to reduce personal risk. Using the MyHazards tool, users may enter an address, city, zip code, or may select a location from a map. The map targets the location, and allows users to zoom and scroll to their desired view.”

EXTREME WEATHER RESOURCES

American Red Cross

“Provides immediate emergency response services such as shelter, food, clothing and supplies to those effected by local disasters. Also provides information about how to file claims for loss and damage reimbursement and information about rebuilding assistance. If your home becomes inhabitable due to weather conditions, call American Red Cross.”
