Cooling Center in Marin County

“A cooling center is a place where you and your family can go to cool off during how summer days. Cooling center locations can include: “Government-run buildings, Senior Center, Community Center, Parks and Recreation sites, Public Building, such as libraries. The discussion to open a cooling center is dependent on weather forecast and the availability of appropriate space to house a cooling center. Reach out to your local city /town for more information about cooling center in your area. Future cooling center opening will be posted to this site as details are confirmed.”

DISASTER PREPAREDNESS RESOURCES

MyHazards

“MyHazards is a tool for the general public to discover hazards in their area (earthquake, flood, fire, and tsunami) and learn steps to reduce personal risk. Using the MyHazards tool, users may enter an address, city, zip code, or may select a location from a map. The map targets the location, and allows users to zoom and scroll to their desired view.”
