Important Provider Notice: #0354 (update to IPN #0324)

Subject: Mid-Level Rendering Physicians Update

Effective for claims received on or after June 7, 2019, Partnership HealthPlan of California (PHC) will rescind recent changes to the billing requirements for Non-Physician Medical Practitioners.

Claims submitted to PHC by Federally Qualified Health Centers (FQHC), Rural Health Centers (RHC), or Indian Health Services (IHS-MOA) providers will be excluded from the State of California Medi-Cal billing requirements for Non-Physician Medical Practitioners as documented in the Medi-Cal Provider manual. Additionally, claims submitted on a UB-04 form (CMS-1450) or Payment Request for Long Term Care form (25-1) or via their electronic equivalent will no longer be subject to billing requirements for Non-Physician Medical Practitioners and will not reject for this reason.

For claims that were previously rejected, we encourage you to resubmit your rejected claims electronically on or after June 7, 2019 for payment consideration. Please visit Online Services or contact PHC EDI Enrollment & Testing at (707) 863-4527 to enroll as an electronic claim Trading Partner.

Providers have 365 days from the date of service to submit claims to PHC for payment consideration and six months to eCIF a claim from the original date of the payment or denial on the PHC RA.
