

# Wellness and Recovery Program 2020 Lunch & Learn Dates

As a provider in the Wellness and Recovery Program, you are invited to participate in a Claims and Online Services Educational Lunch & Learn. An in-person presentation on the Claims and Provider Online Services process will be hosted for our Wellness and Recovery providers at four locations - Fairfield, Eureka, Redding, and Ukiah.

Please bring all staff that might benefit from learning how to:

- Check eligibility on our Provider portal
- Send in an accurate claim for payment
- Check Remittance Advice notices
- Correct a claim denial for payment

PHC staff will also be there to answer questions you have about the process.
