ACEs Aware, Request for Proposal Issued

A [Request for Proposal \(RFP\)](#) was issued on December 20, 2019, for the [ACEs Aware Initiative](#), California's effort to screen, treat, and health the harmful effects of childhood trauma. The RFP supports the work of the Department of Health Care Services (DHCS) of the California Surgeon General to implement ACEs Aware.

Please visit the [ACEs Aware Learning & Engagement Opportunities](#) page for further updates. RFP applications are due on Monday, February 10, 2020, and should be sent in Microsoft Word format to info@acesaware.org. Please submit questions regarding the RFP to [this survey](#).

The ACEs Aware initiative is a first-in-the-nation statewide effort to screen children and adults for Adverse childhood Experiences (ACEs) in primary care, and to treat the impacts of toxic stress with trauma-informed care. ACEs Aware is built on the consensus of scientific evidence demonstrating that early detection and evidence-based intervention improves outcomes. The bold goal of this initiative is to reduce ACEs and toxic stress by half in one generation, and to launch a national movement to ensure everyone is ACEs Aware.

For more information, visit [ACEsAware.org](https://www.acesaware.org). Questions about the initiative may be sent to info@acesaware.org.

Behavioral Health Integration (BHI) Grants Announced

The 2019 California Budget Act authorized \$140 million over three years to implement the Behavioral Health Integration Incentive Program. Funded projects should aim to improve physical and behavioral health outcomes.

Primary Care and Prenatal Care Providers are encouraged to apply. **FQHCs, RHCs, and IHS Providers are eligible to apply.**

DHCS recently announced some details about the types of projects that would be eligible, as well as an application and timelines. Proposals are due to Partnership Health of California by **January 21, 2020, at 5 p.m. PST**. This deadline is set by the Department of Health Care Services (DHCS). Please submit applications to BHIgrants@PartnershipHP.org.

We want to assist you in making this deadline and ensuring a complete, deliberate application. If you would like us to review your application and/or provide you with assistance, please submit to us by Monday, January 13, 2020.

This is a one-time opportunity! Don't miss your chance to advance BHI in your setting!

Recommended Educational Opportunities Outside of PHC

ECHO Diabetes and Hypertension Series

In 2020, Migrant Clinicians Network (MCN) will continue its efforts to examine two related conditions, diabetes and hypertension, by offering a unique Spanish language only learning opportunity for community health workers (promotoras de salud), outreach workers, and case managers who work with diabetic patients within the Hispanic/Latinx populations, including migrant and immigrant workers and/or their families.

MCN will be accepting 30 individuals to participate in this nine-part series. Accepted individuals will receive MCN's latest diabetes resource before it is made available to the public. Individuals who previously participated in the ECHO series are welcome to apply. The deadline to [apply](#) is January 1, 2020.

Dates: Begins January 16, 2020 – March 26, 2020, Thursdays

Number of Sessions: 9

Time of each session: 10 a.m. – 11:30 a.m.

Eating Disorders 101 - Prevention and Screening Webinar

The majority of those who struggle with Eating Disorders (EDs) never receive treatment, even though effective treatments for a range of eating disorders are well established ([National Institute of Mental Health](#)). There is a need to train primary care and behavioral health providers on how to recognize the signs and symptoms of eating disorders in children, adolescents, and young adults; and to appropriately screen, intervene and treat or refer patients to specialized care in an integrated setting.

This training series will be in collaboration with the National Center of Excellence for Eating Disorders (NCEED), an organization founded in 2018 by the Substance Abuse and Mental Health Services Administration. The goal of this webinar series is to increase health center capacity to detect and treat eating disorders and to increase public knowledge and awareness of these illnesses. This webinar series will address both adolescent and adult populations and

address co-occurring diagnoses with eating disorders, mental health and substance use disorder.

Event Information & Registration: [Click Here](#)

Webinar 1: Introduction to Eating Disorders

Dates: January 23, 2020

Time: 1 p.m. to 2 p.m.

Webinar 2: The Role of Primary Care in Treating Eating Disorders

Date: February 2, 2020

Time: 1 p.m. to 2 p.m.

Webinar 3: The Role of Behavioral Health in Treating Eating Disorders

Date: February 2, 2020

Time: 1 p.m. to 2 p.m.

Webinar 4: Addressing Systemic Care Coordination between Health Plans

Date: February 2, 2020

Time: 1 p.m. to 2 p.m.
