**X.S. VISION SERVICES**

PHC has a capitated contract with Vision Services Plan (VSP) to provide vision services to PHC members. The capitation includes a basic eye examination and a frame from an Optometrist or Ophthalmologist on the VSP panel of providers, once every 24 months.

PHC members may self refer to any of the optometrists or ophthalmologists listed on the VSP provider list for the two services mentioned above. Claims for services provided by VSP are submitted to VSP for payment.

Member's who have chosen Kaiser as their Primary Care Provider (PCP) will receive their vision services from Kaiser.

Member's who have chosen Woodland Medical Group as their Primary Care Provider (PCP) may self refer to a VSP contracted provider for routine vision exams. Woodland Medical Group is responsible for all medical referrals for eye diseases.

Vision Lenses

The State of California has a contract with the Prison Industry Authority (PIA) to make and provide lenses for all Medi-Cal members in California, this includes PHC Medi-Cal members. Vision lenses are excluded from the services provided by PHC as they should be obtained through PIA.
