

**PARTNERSHIP HEALTHPLAN OF CALIFORNIA  
MEDI-CAL PROVIDER MANUAL  
CLAIMS DEPARTMENT**

**X.W. Radiology**

PHC only pays applicable contracted provider enhancement to the professional component of radiology services. If a radiology code is billed with the professional and technical component combined on one service line, the PHC system will automatically default to the flat Medi-Cal rate with no enhancement. To qualify for the enhancement, professional and technical components must be billed on separate lines.
