## Partnership Improvement Academy\* Presents **ADVANCE 2017** Essentials for Quality Improvement

**ADVANCE** is a free, 12-month Quality Improvement training program that prepares a team of up to three participants from selected provider practices to lead and sustain quality improvement initiatives. The 2017 cohort will kick-off March 30, 2017.

### What does the program cover?

Quality Improvement experts will coach and guide participants in practical, participatory learning sessions. The topics covered are grounded in the Model for Improvement framework and will include:

- » The Basics for Improvement
- » Relating Data to Improvement
- » Developing Changes
- » Change Management
- » PDSAs in Action
- » Spread and Sustainability
- » Understanding Variation
- » Meeting Facilitation
- » Project Management

**Applications available through January 31, 2017**

### Here's what past participants have said about ADVANCE!

- » *"We have had a great impact on our patients."*
- » *"We have met our goal (increased colorectal cancer screening rate from 31 percent to 57 percent) and learned so much about QI along the way."*
- » *"We have more people . . . with expanded knowledge, practical experience, (and) confidence."*
