

## LET'S TALK: Promoting and Engaging in Advance Care Planning

**Partnership HealthPlan of California** is sponsoring a one-day training for participants to learn the importance of and how to guide discussions about **Advance Care Planning.**

This **FREE** training is designed for providers, nurses, social workers, and other primary care practice staff who discuss Advance Care Planning with patients. Six continuing education credits are available for nurses and social workers.

Faculty from the Coalition for Compassionate Care of California will be leading this one-day training, which is **limited to the first 40 participants.**

**When:** April 24, 2019 - 8 a.m. to 5 p.m.

**Where:** DoubleTree by Hilton Hotel & Spa Napa Valley - American Canyon

**Register:** <https://letstalkacp04242019.eventbrite.com>

### **Course objectives include:**

- To identify strategies for addressing barriers to engaging in Advance Care Planning conversations.
- To increase your familiarity with a range of practical tools and resources to assist you in the integration of Advance Care Planning conversations in your setting.
- To have increased confidence in supporting the completion of Advance Health Care Directives.
