

Let's Talk: Promoting and Engaging in Advance Care Planning

*This in-person training prepares attendees to engage in **advance care planning** (ACP) conversations with patients and families by providing education, skills training, and resources with the goal of increasing ACP knowledge, expertise, and conversation skills.*

Thursday, October 12, 2023

8 a.m. - 4 p.m.

**Partnership HealthPlan of California - Redding Regional Office
3688 Avtech Parkway, Redding**

[Register Here](#)

Space is limited

Target audience: physicians, physician assistants, nurses, nurse practitioners, social workers, chaplains, case managers, and other health care providers.

At the completion of this course, the active participant will be able to:

- Discuss the evidence base regarding the importance of ACP conversations.
- Recognize common barriers and misconceptions associated with ACP.
- Identify strategies for addressing barriers to engaging in ACP conversations.
- Practice communication skills for conducting culturally congruent ACP conversations.
- Demonstrate increased confidence and skills for supporting the completion of advance health care directives.
- Utilize tools and resources to assist in the integration of ACP conversations and activities.

Provider approval by the California Board of Registered Nursing. Provider Number CEP 15403 for 6.0 hours of continuing education. Full attendance at the workshop is required - no partial credit given.
