What is eReports?

Gives you:

- Access to a web based portal 24 hours/7 days a week
- Track your clinical performance in real time
- Download patient reports for each of the clinical measures
- Upload supplemental data for your patients

The image is a composite. On the left, a woman in blue medical scrubs with a stethoscope around her neck is smiling and looking towards the right. On the right, there is a screenshot of a web portal titled "QIP e-Reports". The portal has a white background with a red header. Below the header, there is a sign-in section with the text "Sign in with your organizational account", a "Username" input field, a "Password" input field, and a blue "Log In" button. Below the sign-in section, there is a "Sign Up" section with the text "New user, email QIP Team at qip@partnershiphp.org for your site's registration Key. Click here to register with a registration Key." and a link "Can't access your account?". At the bottom of the screenshot, there are navigation links: "About Us", "What is QIP?", "User Login", "FAQ", and "Help".
