Dignity Health and Partnership HealthPlan of California Reach Agreement on New Contract

June 2024 - Dignity Health and Partnership HealthPlan of California have finalized a new, multi-year contract. Effective June 1, 2024, Partnership members can now receive services from Dignity Health providers.

Today's announcement signals a renewed pledge from both Dignity Health and Partnership to work hand-in-hand to prioritize and address the unique health care needs of their members, especially those in underserved and vulnerable populations.

"We are pleased to have reached an agreement with Partnership, an important step in fulfilling our Mission to care for the health of our communities," shares Julie J. Sprengel, California President, CommonSpirit Health. "As our communities expand, so do their health care needs. By investing in our hospitals, medical staff, and health programs, we ensure that our patients continue to have access to quality care from Dignity Health's trusted providers. Our patients, and Partnership members, expect and deserve nothing less."

"Dignity Health has been an important part of Partnership's robust network of quality health care providers serving our vulnerable population," said Sonja Bjork, chief executive officer of Partnership HealthPlan of California. "The renewed agreement with Dignity Health, a member of CommonSpirit, reflects our shared goal of prioritizing

patient care and marks a significant step forward to ensure our members receive the essential medical services they deserve without interruption."

Partnership members can now access Medi-Cal primary, specialty, and hospital care services from Dignity Health providers and facilities in Nevada, Shasta, Siskiyou, Tehama, and Yolo counties.
