2025-2026 CalAIM Grants

- ❖ Utilizing **CalAIM Incentive Payment Program (IPP)** funding
- ❖ Investing in Enhanced Care Management (ECM) and Community Supports (CS) providers
- ❖ Grants open to all ECM and CS providers in Partnership's 24 counties
- ❖ Grants are also open to those organizations intending to contract with Partnership
- ❖ Grant application opened February 20, 2025

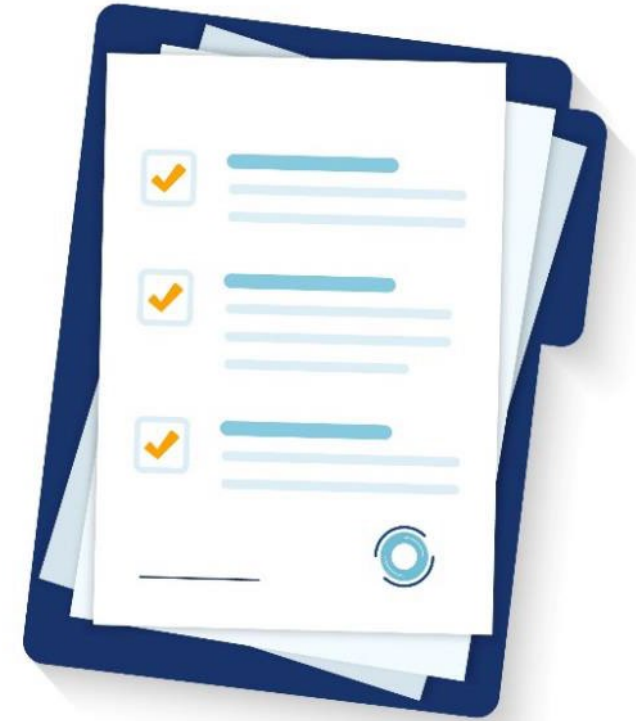

Grant Categories

Applicants may apply to ONE category only:

- ✓ Justice Involved Population of Focus – capacity building
- ✓ Access – projects that support PCP/Specialty access for members to establish care
- ✓ Rural Focus – capacity building
- ✓ Build capacity and/or expansion of Short-Term Post Transition Housing and/or Short-Term Recuperative Care facility

General Instructions

1. Narrative for questions, based on selected category
 - a. Do not exceed 1,000 words per question
 - b. May include additional documentation, no more than three pages
2. Excel Budget Template
 - a. Include all sections that apply in budget
3. The application, budget, and supporting materials must be submitted in a single PDF document

Reporting Requirements

Milestone Reports - Quarterly:

- A budget report on how funding is being spent with a summary demonstrating growth in the category selected
- Final report to include a sustainability summary

Payment Schedule:

- 50% paid after agreement is executed
- 25% paid upon milestone progress report
- 25% final payment upon completion of program, dependent upon milestones and successful billing of services
- Final reporting and funds must be spent by December 31, 2026

Attestation

- All applicants to use funding to better integrate and support ECM and CS initiatives.
- Funding will not duplicate or supplant previous funding that is specifically dedicated to the deliverables listed in application.
- Organizations intending to contract for ECM and CS, must submit all completed contracting and credentialing documentation to Partnership before June 30, 2025 to be eligible to receive funds.
- Grant awardees must continue with contracted services for two years post grant funding.
- Funds awarded must be spent by December 31, 2026.

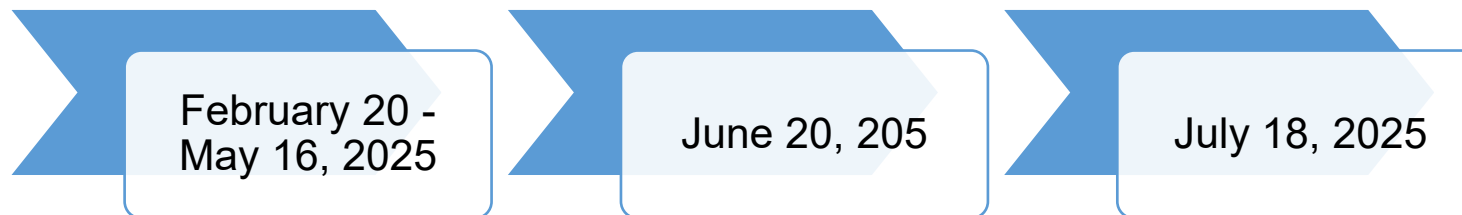

Grant Scoring

What Partnership is looking for in applications:

- How much funding has organization already received and what have they successfully completed with funding?
- Will organization be able to successfully grow capacity and maintain capacity for ECM and/or CS?
- Will organization be able to fill a current gap for needed ECM and/or CS services?
- How has organization prepared for sustainability of programs after funding?

Timelines

- ✓ Application is posted on Partnership website at:
<https://www.partnershiphp.org/Community/Pages/CalAIM.aspx>
- ✓ Application due with all required documentation by 5 p.m. May 16.
- ✓ Awards announcement on June 20.
- ✓ Grant agreements must be executed by July 18.
