

CHILDREN & FAMILY RESOURCES

NICWA

“Every year, the National Indian Child Welfare Association receives over 1,000 inquiries from individuals seeking assistance from our expert staff in any number of areas. Some people seek assistance tracing their Native ancestry. Others need help finding low-cost legal representation. But most of the inquiries we receive each year are from families who encounter the child welfare system and are uncertain of their rights. Often, they are also unclear who within their tribe can help them navigate complex legal and service systems.”
