## Who We Are

The Whole Child Model (WCM) Family Advisory Committee (FAC) is a Partnership committee that focuses on the care and needs of members who are in Partnership's WCM and get California Children's Services (CCS).

## What We Do

During the meetings, FAC members share information, advocate and connect with other FAC members who share similar goals and concerns. The group's goal is to improve the quality of care and services for members and families in the WCM program.
