Medi-Cal

Important Provider Notice: #477

Subject: ICD-10-CM 2023 Updates – Effective October 1, 2023

Centers for Medicare and Medicaid Services (CMS) have published the ICD-10 updates for Fiscal Year 2023. The changes effective October 1, 2023 include new, deleted and replacement ICD-10 diagnosis codes.

Partnership HealthPlan of California will also implement these updates with an October 1, 2023 effective date.

For a complete list of ICD-10 diagnosis code updates, and for additional information relating to the changes, please visit <https://www.cms.gov/>.
