

Why Culturally Competent Care?

With the increasing diversity of the United States' population, physicians are more and more likely to encounter situations that require the delivery of culturally competent care, access to a vast array of language services, and supportive health care organizations.

Want to Learn More?

You can earn up to 9 free CME credits (Physicians and Physician Assistants) or 9 contact hours (Nurse Practitioners), while exploring engaging cases and learning about cultural competency in health care. For more information please visit the US Department of Human Services Office of Minority Health at <https://cccm.thinkculturalhealth.hhs.gov/>.

You may earn up to nine AMA/PRA Category 1 Credits™ by completing the DHHS OMH curriculum.

In addition, the Americas Health Insurance Plans (AHIP) website provides access to new free online cross-cultural training for Physicians, Clinicians, Nurses, Case Managers and Health Care Professionals. For more information, please visit the AHIP website at <https://www.ahip.org/>.
