This agenda contains a brief description of each topic for consideration. Except as provided by law, no action shall be taken on any topic not appearing on the agenda.

Government Code §54957.5 requires that public records related to items on the open session agenda for a regular committee meeting be made available for public inspection. Records distributed less than 72 hours prior to the meeting are available for public inspection at the same time they are distributed to all members, or a majority of the members of the committee. The committee has designated the Executive Assistant to the Chief Medical Officer as the contact for Partnership HealthPlan of California located at 4665 Business Center Drive, Fairfield, CA 94534, for the purpose of making those public records available for inspection. The Physician Advisory Committee Agenda and supporting documentation is available for review from 8:00 AM to 5:00 PM, Monday through Friday at all Partnership regional offices (see locations under the Meeting Notice). It can also be found online at www.partnershiphp.org.

In compliance with the Americans with Disabilities Act (ADA), Partnership meeting rooms are accessible to people with disabilities. Individuals who need special assistance or a disability-related modification or accommodation (including auxiliary aids or services) to participate in this meeting, or who have a disability and wish to request an alternative format for the agenda, meeting notice, agenda packet or other writings that may be distributed at the meeting, should contact the Executive Assistant to the Chief Medical Officer at least two (2) working days before the meeting at (707) 863-4228 or by email at pac@partnershiphp.org. Notification in advance of the meeting will enable Partnership to make reasonable arrangements to ensure accessibility to this meeting and to materials related to it.

Land Acknowledgment: Partnership HealthPlan honors the ancestral stewards of the land on which we meet today and acknowledges the displacement and lost lives due to colonization and ongoing disparities among California Native Americans.
