

Early and Periodic Screening, Diagnostic and Treatment for Health Care Providers Training

The Department of Health Care Services (DHCS) requires Partnership HealthPlan of California to ensure employees receive Early and Periodic Screening, Diagnostic and Treatment (EPSDT) specific training no less than every two years. The goal is to ensure the understanding of the benefit throughout the state.

In order to stay compliant with DHCS, **Partnership is requesting all contracted medical groups/providers that provide services to members under the age of 21 complete and return this attestation.**

You can access education and training materials here: <https://www.dhcs.ca.gov/services/Medi-Cal-For-Kids-and-Teens/Documents/EPSDT-Provider-Training-BD-June-2024.pdf>

Attestation Statement

By signing this document, I am attesting to the fact that all medical practitioners providing care to Partnership HealthPlan of California members under the age of 21 have completed EPSDT Training in accordance to DHCS instructions.
