

HEDIS MY2024/RY2025 Retrieval Webinar

HEDIS MY2024/RY2025 Medical Record Retrieval Webinar

This webinar will provide a comprehensive overview of the medical record retrieval process. The webinar will include a high-level timeline of HEDIS MY2024/RY2025 activity, highlight the roles and responsibilities for the HEDIS MY2024 season, and provide key resources. We encourage anyone from your quality and medical records staff to join us for this overview. Please register for the webinar via the link below.

Date: Wednesday, December 11, 2024

Time: Noon – 1:00 p.m.
