

### HEDIS 2024 is almost complete!

The HEDIS season for Measurement Year 2024 (MY2024) / Reporting Year 2025 (RY2025) kicked off in October 2024. The Medical Record Retrieval Project launched in February 2025 and wrapped up in early May 2025.

Next, the HEDIS Team will complete the Medical Record Review Validation (MRRV) Audits.

Thank you to all for your support of the Medical Record Retrieval Project!

For HEDIS 2024 Medical Record Retrieval season, see the following timeline for upcoming activities:

Date:	Activity:
May 2025	All Medical Record Retrieval and review must stop per the NCQA timeline.
	PHC undergoes the Medical Record Review Validation Audits (MRRV).
June 2025	Final rates are locked for both audits and reported to DHCS and NCQA.
August 2025	HEDIS Annual Summary of Performance will be shared with our Provider Network.

### HEDIS Reminders

#### HEDIS Primary Contact:

Has your primary HEDIS contact information recently changed? Email [HEDISMRA@partnershiphp.org](mailto:HEDISMRA@partnershiphp.org) with updated information for your office to help us ensure a timely and efficient HEDIS 2024!

#### PHC's HEDIS Web Pages:

For additional information about PHC's annual HEDIS audits, please visit our web page here: [HEDIS](#)

#### Medical Record Retrieval Reminder:

For the next Medical Record Review period, when sending Medical Records, please only submit the measure-specific records outlined on the Minimum Documentation included with the medical record request.

#### HEDIS MY2024\_RY2025 Annual Summary of Performance:

The full summary of rates will be posted to our website in August 2025. You can find the information on our website:

If you have questions, please reach out to our HEDIS Team.
