

HEDIS MY2022 Annual Summary of Performance is available!

The full summary of rates was posted to our website in August. You can find the information on our website: [Medi-Cal HEDIS MY2022 Performance \(MCAS\)](#), [Medi-Cal HEDIS MY2022 Performance \(HPA\)](#). If you have questions, please reach out to our HEDIS Team.

HEDIS MY2023 is almost here! HEDIS MY2023 kicks off in October 2023 with the Medical Record project launching in February 2024. In preparation for the HEDIS MY2023 Medical Record Retrieval season, see the following timeline for upcoming activities.

Date:	Activity:
November 2023	PHC staff along with our medical record retrieval vendor KDJ will be reaching out to collect HEDIS Provider Contact information.
January 2024	HEDIS Medical Records Retrieval Webinar
February 2024 – March 2024	Provider packages which include the member pull list and minimum documentation guidelines will be sent to providers. Primary Medical Record Retrieval and Review begins.
April 2024	Secondary Medical Record Retrieval
May 2024	All Medical Record Retrieval and Review must stop per NCQA timeline. PHC starts the Medical Record Review Validation (MMRV) Audit
June 2024	Final rates are locked and reported to DHCS.
August 2024	HEDIS Annual Summary of Performance will be shared with our provider network.

HEDIS Reminders

HEDIS MY2023 Medical Records Retrieval Webinar:

This webinar will provide:

- A comprehensive overview of the medical record retrieval process
- A high-level timeline of HEDIS activities
- A highlight of changes to the Measurement Year 2023 (MY2023) Measurement Sets
- Key resources

We encourage anyone in your quality staff and medical records staff to join us.

Date: Thursday, January 18, 2024

Time: 12 p.m. – 1 p.m.

HEDIS MY2023 Annual Provider Information Form (PIF)

We have started collecting contact information for the upcoming HEDIS season and request all providers to complete the form:

<https://www.surveymonkey.com/r/HEDISMY2023PIF>

PHC’s HEDIS Web Pages:

For additional information about PHC’s annual HEDIS audits, please visit our web page here: [HEDIS](#)

Medical Record Retrieval Reminders:

When sending Medical Records, please only submit the measure-specific records outlined on the Minimum Documentation included with the medical record request.
