

# Pediatric Direct Telehealth Specialty Services

Partnership HealthPlan of California (PHC) and UC Davis Health (UCD) have partnered to expand access to pediatric specialty care services. These services are now available through the Pediatric Telehealth Program.

## Benefits for Patients and Providers

- Improves access to quality health care services.
- Provides real-time outpatient synchronous and asynchronous consultative evaluations.
- Allows peer-to-peer collaboration between PCP's and specialists.
- Ensures continuity of care with proven outcomes to strengthen the medical home.
- Helps to decrease patient travel time, lower cost and shorten wait times.
- Assists providers in meeting timely access standards.
- All specialties listed below are available for Direct to Member

## Eligibility Requirements

- PHC members 20 years of age and younger with PHC primary or dual coverage.
- Adolescent and pediatric patients must be accompanied by an adult parent or guardian.
