

Improving Measure Outcomes Webinar Preventive Care for Children Ages 0-30 Months

This learning session will cover Partnership HealthPlan of California's Primary Care Provider Quality Incentive Program measures.

Wednesday, February 12, 2025

Noon - 1 p.m.

[Register Here](#)

Target Audience: Clinicians, practice managers, quality improvement teams, and staff who are responsible for participating and leading quality improvement efforts within their organization.

Learning Objectives:

- Define the clinical background, specifications, and performance threshold definitions of the 2025 Primary Care Provider Quality Improvement Program Specifications: Well-Child Visits for the First 30 Months of Life, Childhood Immunizations Status, Blood Lead Screening, and Topical Fluoride in Children measures.
- Apply measure specification requirements to maximize measure performance adherence in the delivery of well-care visits through age 30 months, screenings, immunizations, blood lead screening in children, and dental varnish.
- Understand best practices to ensure delivery of blood lead screening in children and topical fluoride, including justification for its inclusion in preventative care for 0-30 months.
- Recognize the minimum five components that are necessary for clinical standard practice for the well-child visits for 0-30 months.
- Identify best and promising practices that can be used to address clinical processes, improve interpersonal communication and education, eliminate barriers to access, improve outreach for groups that have been historically, economically, or socially marginalized, and improve technical barriers to improve well-child, immunizations, and related services for children ages 0-30 months.

**The American Academy of Family Physicians (AAFP) has reviewed the Improving Measure Outcomes webinar series and deemed it acceptable for AAFP credit. Term of approval is from February 12, 2025, to February 12, 2026. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
